

KEEVIL CoFE ACADEMY NEWSLETTER

Up-coming Dates:
 17th July – Year 6 leavers Party
 18th July – Year 6 Graduation 6.00pm start
 19th July – School Disco 4.00pm-6.00pm
 21st July – St Leonards Thanks Giving Service 09.15am
 21st July – Last day of term
 1st September TD Day
 4th September Start of Term 1

In our Good Learning Book this week:
Winter: Rosa for excellent reading.
Spring: A huge well done to Oscar for settling into life at Keevil School so well.
Summer: Michael for settling in so well to Summer Class and Olive for creating a theme park model in her own time.
Autumn: Huge well done to all of year 6 for their fantastic SATs results.

Message from the Head

It seems hard to believe that we have already reached the final newsletter of the year. As ever, time has that strange quality of the start of the school year feeling like it was ages ago whilst simultaneously seeming like it is rushing past with never enough to get everything done! But here we are again, looking back at how far we have come and how much we have achieved, whilst also looking forward to the new challenges and opportunities that next year will bring.

On the following page you will find a summary of the school’s statutory outcomes – these are the tests and assessments that we have to complete and report to the government. You will see both our school’s results and also the national averages for comparison. Academic achievements are of course important for individual children, as both moments of celebration and signposts along the course of their educational journey. They are also an important measure of school performance, although I would argue a quite limited one. But the headline figures obscure the story of each individual child, which we prize incredibly highly in our school. They do not show the challenges and triumphs faced by each pupil. The diligence, resilience, perseverance and determination that they have shown. How you at home and all the staff in school have played an integral role in all that has been achieved. Although we are incredibly pleased and proud of what has been achieved across the school this year, I do not want to lose the fact that this is only one means through which a child’s achievements can be recognised and celebrated. So I look forward to the Y6 Graduation Evening and whole school Thanksgiving Service next week when we will applaud and value all the many wonderful things about our children, school and community, and I hope that you will join with me then in celebration of the hard work and successes we have all enjoyed this year both within the academic curriculum and beyond this..

| House points | | | |
|--------------|---------|----------|----------|
| Kestrels | Ospreys | Buzzards | Harriers |
| 1467 | 1340 | 1256 | 1041 |

Well done to all our houses on their hard work earning house points over the past two terms. Ospreys did an amazing job in securing the sports day win however, this term’s winners are Kestrels. They will receive an in school treat afternoon next Tuesday.

Thanksgiving Service – 9:15am on Friday 21st July at St. Leonard’s Church

Please join us for a celebration of the year in school. Tea and coffee will be served in the Church from 8:45am and all are welcome.

Dates for 2023-24

Term dates and TD Days are now on the calendar on the school website. We are currently working on the dates of other events across the year and will share these with you as soon as they are complete.

Keevil CofE Academy Comparative Outcomes 2023

The Department for Education ask all schools to share the outcomes of all pupils nationally, and of pupils within the school, alongside end of year reports.

The national data shared below is that of 2022 (2023 outcomes are currently unverified; schools will not receive the final 2023 figure until the Autumn term). The cohort information is for pupils in the school this year.

| Key Stage 2 Y6 SATS | Reading | | Writing | | Maths | | Combined | | GPS | |
|------------------------------|-------------------|---------------|-------------------|---------------|-------------------|---------------|-------------------|---------------|-------------------|---------------|
| | Expected Standard | Greater Depth | Expected Standard | Greater Depth | Expected Standard | Greater Depth | Expected Standard | Greater Depth | Expected Standard | Greater Depth |
| National % | 75 | 28 | 69 | 13 | 71 | 23 | 59 | 7 | 72 | 29 |
| School % | 92 | 69 | 85 | 23 | 77 | 38 | 77 | 15 | 91 | 55 |
| National Scaled Score | 105 | | | | 104 | | | | 105 | |
| School Scaled Score | 109.5 | | | | 107 | | | | 107.6 | |

NB. 'Combined' is the number of children achieving the Expected or Greater Depth Standard in Reading, Writing and Maths. GPS is the Grammar, Punctuation and Spelling test.

| Year 4 Multiplication Tables Check | |
|------------------------------------|------|
| National % Scoring 25/25 | 27 |
| School % Scoring 25/25 | 17 |
| National Mean Score | 19.8 |
| School Mean Score | 17.5 |

Our Multiplication Tables Check results are lower than we would aspire to, although these outcomes do represent significant progress across the year, a large amount of input from the staff and hard work from the children. But in order to improve these in 2023-24, we have taken on a new times table programme recommended by the Mobius Maths Hub. All staff have been trained on how to implement this in the classroom, and Summer Class have been trialling it this term in preparation. We have been impressed with what we have seen so far, and therefore will also be using it in Autumn Class next year to cement the times table knowledge of our Y5 and Y6 pupils.

| Key Stage 1 KS1 SATS | Reading | | Writing | | Maths | |
|-------------------------|-------------------|---------------|-------------------|---------------|-------------------|---------------|
| | Expected Standard | Greater Depth | Expected Standard | Greater Depth | Expected Standard | Greater Depth |
| National % | 67 | 18 | 58 | 7 | 69 | 15 |
| School % | 100 | 0 | 100 | 0 | 100 | 0 |

| Year 1 Phonics Check | |
|--------------------------------|----|
| National % at Threshold | 75 |
| School % at Threshold | 83 |

| EYFS Good Level of Development | |
|--------------------------------|----|
| National % | 65 |
| School % | 70 |

Well done to Autumn Class for their brilliant performances of The X Factory this week.

Many thanks must go to Mr McCaldon, Mrs Stainer and Mrs Wright for all their hard work in making sure it was such a success.
