Message from the Head

Although it is the same every year, we never seem to be quite prepared for how busy Term 6 is in school! All the classes are very busy finishing off their learning and activities for this year – and in the case of Autumn Class also practising for their performance! As well as looking forward and planning for what the new school year will bring in September. This week saw an important step towards this, as we had our first internal Transition Morning, where all children got to spend the morning in their new class for next year. There was a wonderful, positive feeling in the school during the session. We understand that children can have questions and worries about things changing, but the overwhelming feeling around school was one of excitement which was fantastic. I also hope that you got the opportunity to come into school for our Meet The Teacher/Open Classroom event to answer any queries you might have about next year for your child and to be able to share and celebrate all the work they have completed this year.

Another opportunity to celebrate your child’s achievements with them will be their End of Year Report that we are sending out next week. We send these out securely and electronically – you will receive the report by email and a passcode to open this by text message. The process by which we achieve this means we cannot send every report out on the same day. We will be sending different year groups and classes on different days, so if you have more than one child in the school you are likely to receive their reports at different times so please don’t worry. All reports will be sent out by the end of Friday 7th July.

In our Good Learning Book this week:

Winter: Well done to Ellis for being Star of the Week. Well done to James for some lovely art work.

Spring: We are so proud of the children for their performance in the Dance Festival. They got up on a huge stage and performed to hundreds of people with bright lights and smoke machines! Well done Spring Class, what amazing courage.

Summer: A big well done to the ‘new’ Summer Class for settling in and working so well together during transition morning this week.

Autumn: Well done to Autumn Class, who are currently all working really hard in rehearsals.

Date for your diary – School Summer Disco on Wednesday 19th July 4-6pm

More details will follow from FoKS who kindly organise the event for the children. But please note: children in YR, Y1 and Y2 will need to be accompanied by an adult if they wish to come to the disco; and After School Club will only run to 4pm on that day.

Parent Coffee Session

Mrs Hermon will be holding a Parent Coffee Session in the school hall from 2:30pm on Thursday 13th July. Please feel free to come along if you would like to find out more about what is going on behind the scenes in school, or have any questions about school that you would like answered.

Uniform Reminder

As you are getting your child’s uniform ready for the new school year in September, please can you remember:

- Girls should wear a grey skirt, pinafore or trousers – black leggings are not part of the school uniform and should not be worn as such.
- If children want to wear a hoodie for PE, this should be a school red hoodie with logo. No other hoodie should be worn to school. Children are welcome to wear their ordinary school jumper/cardigan on PE days instead of a PE hoodie if they prefer.
